Our Vision

Judson has a vision to be an authentic community of believers who help to nurture families and individuals from all walks of life to either begin or continue to **BUILD** a personal relationship with Jesus Christ.

Further, we aim to create an environment which encourages people to **BELONG** to exciting relationships with each other but more importantly with God through Life Groups and Study Groups.

Last, we have a desire to **BECOME** part of our surrounding community by being missions minded in our actions as we serve others and our community.
